AN **ERGON** COMPANY

*"Pavement Preservation Products"*

Clean up your act with... BIODEGRADABLE / ENVIRONMENTALLY FRIENDLY

**CLEAN'IT**  
THE "GREEN" INDUSTRIAL CLEANER

Before

CLEAN'IT Application

After

# GREASE, OIL, ROAD TAR AND ASPHALT REMOVER

Low odor, non-hazardous and environmentally friendly, everything you ever wanted in a cleaner. This cleaner from Crafcro dissolves grease, oil, asphalt and sealant while it protects the paint finish on the equipment surface being cleaned. Crafcro CLEAN'IT works better than any other comparable cleaner or solvent for removing sealant, tar and oil from paving tools, truck beds, spreaders, equipment and any surface that needs cleaning. It's biodegradable, effectively dissolving sealant and asphalt build up on all painted or unpainted surfaces, leaving an invisible protective coating to help reduce future buildup. Works great on graffiti too!

Another great product from the leader of pavement preservation products.

### TESTED SAFE ON

- Paint
- Aluminum
- Cadmium
- Titanium
- Stainless Steel
