**PRODUCT DATA SHEET**

**CRAFCO ROADSAVER SEALANT & ASPHALT REMOVER**

PART NO. 33950

MARCH 2005

**READ BEFORE USING THIS PRODUCT**

**GENERAL** No odor, non flammable and environmentally friendly, everything you ever wanted in a cleaner. This new cleaner from Crafco dissolves grease, oil, asphalt and sealant while it protects the paint finish on the equipment surface being cleaned. Crafco RoadSaver Sealant & Asphalt Remover works better than any other comparable cleaner or solvent for removing, sealant, tar and oil from paving tools, truck beds, spreaders, equipment and any surface that needs cleaning. It's biodegradable, effectively dissolving sealant and asphalt build up on all painted or unpainted surfaces, then leaves an invisible protective coating to help reduce future buildup.

**PROPERTIES**

Solubility in Water	Miscible
Odor	Very Mild
Appearance	Clear White Liquid
pH	7.6
Flash Point	> 350°F**
Biodegradability	Readily Biodegradable
Corrosive	No
Specific Gravity	0.982
VOC (EPA Method 826OB)	0.0%

**TESTED SAFE ON**

Aluminum  
 Cadmium  
 Titanium  
 Stainless Steel  
 Brass/Copper  
 Acrylics  
 Plastics\*\*\* & Rubber  
 Concrete

**PRODUCT FEATURES**

Biodegradable  
 Non-Toxic  
 Low Flammability  
 Non-Hazardous  
 Non-Corrosive  
 Non-Ozone Depleting  
 No Offensive Odor  
 Free of Phenols, Phosphates,  
 Heavy Metals

**STORAGE** Do not store in temperatures above 120°F (49°C) as container may burst.

**SAFETY PRECAUTIONS** RoadSaver Sealant & Asphalt Remover is a non-toxic, non-hazardous and biodegradable product. As with the use of any chemical product, the manufacturer recommends that users review the Material Safety Data Sheet for the appropriate health and safety warnings prior to use.

**Skin:** Avoid prolonged or repeated skin contact as it may dry skin. Wash area thoroughly with soap and water after handling.

**Eyes:** Flush eyes with large amounts of water. If irritation persists, seek medical assistance.

**Ingestion:** Do not induce vomiting. Seek medical assistance.

**Spill response:** Flush with water. Mop up remaining liquid and dispose of in accordance with federal, state, or local regulations.

**WASTE TREATMENT** There are no federal regulations restricting the disposal of RoadSaver Sealant & Asphalt Remover into municipal wastewater systems. However, local regulations imposed by a state or municipality may regulate specific discharges, BOD and/or COD limits.

All contaminates should be considered on an individual basis. Each application is unique in its potential for contaminants. If there is sufficient potential for contamination that may be regulated by a government agency, test a sample for the suspected contaminants prior to disposal.

Please follow all federal, state or local regulations regarding the treatment of waste.

**ADDITIONAL INFORMATION** Additional information regarding these products is available by contacting your distributor or Crafco, Inc. This information includes: 1) Product Data Sheets, 2) Material Safety Data Sheets and 3) Application Instructions.

*NOTE: Do not allow RoadSaver Sealant & Asphalt Remover to sit or pool on asphalt paved surfaces.*

\*Test on a small hidden area of the painted surface you are preparing to clean prior to application.

\*\*Low flammability makes it safe for outdoor applications.

\*\*\*Test on PVC and PET prior to application.
